

Salt Cave Visits TWO FOR ONE in February!

at Forever And A Day

If you would like to bring a FREE partner with you to the salt cave during the month of February, you will need to call us as soon as you make your one paid reservation, so we can add your pal/buddy/loved one, etc. to the schedule and reserve their spot.

Disclaimer: We will not be responsible if you don't call in time to get them registered, and this may result in your session being moved to another date/time. Please know that this offer is subject to availability. Note: This special salt cave visit **MUST** be used in February with no transfers to another month.

Terms and Conditions

(If you have previously purchased a punch card, and bring someone with you to the cave, we will only punch one spot on the card. Sorry, this discount does not apply to the price of individual salt cave sessions or special events in the salt cave.)

Offer valid from 2/1 - 2/29 only and does not apply to sessions that are rescheduled to another month.
