Watch the film on Gaia, PBS or stream the full length film <https://lovehealsfilm.com/>. LOVE HEALS is a feature-length documentary about using the ancient wisdom of energy to realize you are your own greatest healer. LOVE HEALS follows the journey of Dana, a chronic pain sufferer, in search of healing. Her partner, Krisanna, is a filmmaker, and together they travel the country to understand how this ancient principle has helped so many heal and to see whatâ€™s possible for those experiencing these practices for the first time.
